## EMERALD VALLEY CELEBRATIONS

is a definite option when planning an event in advance. Because our facility is ideal during the cold and rainy months as well as during the summer, our online calendar will aid you in picking an available date

Our facility is available year-round..

To ensure availability for your event, please call as early as possible to reserve your special day.

**Our biggest asset, plenty of parking,** we have 70 spaces in our immediate parking lot. There are also an additional 50-60 spaces within a very short distance of our facility.

Your guests will particularly enjoy the use of the free accessible parking at our facility. No more walking several blocks on rainy days and nights. No more feeding expensive parking meters or worrying about expensive parking tickets, because you have a two hour meter and you lost track of time.

If you have an event that requires immediate attention or requires special needs, such as a Celebration of Life or a Memorial Service, we have organizations and individuals with years of experience in providing these services. If a special DVD Video presentation or slide presentation for your loved one, or a presentation is needed for a company event We can help create one of the best available.

We can also create professional personal brochures.

To secure your contact information please place this inside an envelope and mail to:

The main meeting hall which is connected to both of the dining halls via sliding doors, can seat 448 people and can be arranged to seat an additional 200 plus persons for dining if necessary. The two dining halls together, can seat approximately 275 people.

One of the dining halls can also be opened to the main meeting hall allowing an additional 200 seats for the main meeting hall.

In addition to the dining halls there is a fully certified kitchen, which includes a large 6 burner stove top, double oven and grill top, and cooking utensils.

Also available, a fourth hall which can accommodate an additional 100+ people. This room could be utilized as a music room or under special circumstances, permits may be acquired to allow alcohol to be served.

Our 15,000 sq. ft. facility is available for a variety of events, and is perfectly suited for Celebration of Life and Memorial Services, birthday parties, anniversaries, receptions, class reunions, lectures, meetings, and dances. We also offer state of the art digital video and audio capabilities. Audio and Video equipment are available. Ask about our digital projector and screen, and let us know what your other AV needs are.

If you choose, your event could also be videotaped and broadcast over the internet as it happens.

Catering Services are available. If your favorite catering service is not on our list, please feel free to have them contact us about your event.
